

Accessibility Statement

One Degree Therapeutic Services is committed to making this website as accessible and usable as possible for everyone.

I aim to ensure that the website is clear, readable, and navigable, recognising that people access information in different ways and may use different devices or assistive technologies.

Measures to support accessibility

This website aims to:

- Use clear, straightforward language
- Maintain a consistent layout and structure
- Use readable font sizes and adequate spacing
- Ensure sufficient colour contrast where possible
- Be navigable using a keyboard and screen readers

The website is designed to be responsive and can be accessed on a range of devices, including desktops, tablets, and mobile phones.

Limitations and ongoing improvement

While every effort is made to ensure accessibility, some content may not be fully accessible in all circumstances. I am committed to reviewing and improving accessibility where possible and welcome feedback to help identify any issues.

Alternative formats and support

If you experience difficulty accessing any part of this website or require information in an alternative format, please get in touch. I will aim to respond and provide support where reasonably possible.
